## *Bicycles*

The hotel offers electric hybrid bicycles, to go for a ride. If you want to use them request it in reception. Please make it in advance.

We also have conventional bicycles.

## *Accommodation*

With the name of our rooms we wanted to remember sites of our town. Names of simple places, baptized with colloquial names by people that have gone knitting the history of this town and that now they are references for all the "Xurravins" (it names colloquial of the inhabitants of Sant Vicenç of Montalt).

The hotel offers a total of 9 rooms on three types.

### **Stones**

---

#### **La Pedra del Pedró (The Stone of Pedró)**

A stone in form of T also well-known as "La Pedra del Terme" (The Stone of the Term). Once delimited the municipality.

#### **La Pedra de l'Ou (The Stone of the Egg)**

A stone in egg form and inseparable in the step of the time for an oak.

## La Pedra del Bisbe (The Bishop's Stone)

Presiding over the Littoral of Sant Vicenç, also well-known as "La Cadira del Bisbe" (the Bishop's Seat) by their shape.

The pictures of the doors are of the year 1964 and this made by Antoni Buch i Esteban.

## Sources

---

Font de l'Església, Font de la Plaça i Font dels Germans (Fountain of the Church, Fountain Square and Fountain of Brothers)

The year 1938 three public water sources were installed: the square of the town council, the square of the Church and in the Upper Street.

The pictures of the doors are made by Antoni Buch i Esteban.

## Mountains

---

Turó del Balís i Turó del Mig (Balís Mountain and Middle Mountain)

Representative and characteristic of the Sant Vicenç de Montalt for their views.

Turó de Montalt (Montalt Mountain)

Highest point of the village, 594 m. on sea level. In this mountain born two streams that define the term: the laugh of Torrentbò and the Caldetes.

Help us to maintain a comfortable atmosphere
